CIVIL ACTION NO. B-16-52
CRIMINAL NO. B-13-553-1

ORDER

On July 5, 2016, the United States Magistrate Judge filed a Report and Recommendation [Doc. No. 5]. Petitioner has objected [Doc. Nos. 8] to said Report and Recommendation.

Having considered *de novo* the Magistrate Judge's Report and Recommendation and the issues raised by Petitioner's objections, the Court hereby adopts the Magistrate Judge's Report and Recommendation [Doc. No. 5]. It also notes that Petitioner's objections, while filed late, were considered but found to be meritless. Therefore, Petitioner Julian De La Garza-Zuniga's Motion to Vacate, Set Aside or Correct Sentence pursuant to 28 U.S.C. § 2255 [Doc. No. 1] is denied as meritless and the issuance of a Certificate of Appealability is denied.

Signed this 31st day of August, 2016.

United States District Judge
